

VOLUNTEER ORGANIZATION NOMINATION FORM

The District of Sparwood appreciates the dedication of its volunteer groups and wishes to recognize the volunteer organizations that provide so much to the community by donating their time, talents, actions, and services to the residents of Sparwood.

Without these dedicated volunteers, residents would not be able to enjoy the range and quality of social, cultural, and recreational services that everyone has come to know and enjoy.

Our local volunteer organizations do some fantastic things in our community, and this is our chance to recognize their years of service, achievements, and dedication to our community.

We are looking for nominations of our local community volunteer organizations who:

- Demonstrate initiative, leadership, and creativity in their service to the community.
- Inspire others to engage in volunteer service.
- Improve the overall quality of life for residents and the Community as a whole.
